Discard 2			
Total less discards	59	102	451
Overall position	1	2	3

The finishing positions of the first five boats from each club will have their points added to the total for the club. The club with the fewest points after totalling the points for the club's best 6 out of 8 races will be the winner. If a club does not sail, there will be 2 discards if 6 or more races are sailed, 1 discard if 4 or 5 races are sailed and no discards if 3 or fewer races are sailed. If any club is missing a boat for a race, so they can't produce the requisite 5 boats, the club will receive the missir score as if they sailed in the race and retired i.e. number of boats that sailed + number required to make 5 boats + 1 point for retirement.
