

Appendix 1: Regatta Courses

Courses A – L are Committee Boat starts in the vicinity of Swear Deep. The direction to pass the first mark (Orange inflatable) will be displayed on the committee boat and may be a passing mark. The remainder start in a southerly direction through the ESSC fixed line. This is also the finish line for all classes (referred to as 'LINE') and is the transit to the East of the two yellow posts off the ESSC starting hut and to the West of 'Beacon Point' buoy. Please keep clear of the line after finishing. (* DENOTES a passing mark.)
